Title: Visa Debit Card Policy

Background & Purposes:

This policy governs the issuance and usage of a Visa Debit card for the purpose of conducting business on behalf of the Administrative and Professional Staff Association (APSA) at Simon Fraser University.

Guidelines

1. Upon approval from two (2) signing authorities on the Board of Directors ("the Board"), a Visa Debit card ("the card") will be issued to the Executive Director ("the cardholder") of the Administrative and Professional Staff Association ("the Association").
2. The daily limit for the card will be $2,000 with a maximum balance of $10,000 available in a Chequing account linked directly to the card. If an increase to the daily limit or maximum account balance is required, the cardholder will submit a request in writing to the Treasurer. If applicable, the request must be submitted at least five business days before the purchase necessitating the increase.
3. The cardholder will not use the Visa Debit card for personal expenses at any time, nor permit any other individual to use the card for personal expenses at any time.
4. Purchases using the card must be within the budget approved by the Board. Purchases outside of budgeted line items and/or limits may not be made without prior approval of the Board.
5. Unapproved charges by the cardholder are the responsibility of the individual, and the Association must be reimbursed.
